AYER'S
PILLS

Are curing the Sick to an extent never before known of any Medicine, INVADING, READ AND JUDGE FOR YOURSELF.

JULES HAUEL, Esq., the well known perfumer, of Chene Street, New Orleans, whose choice products are equal to any ever made.

I am happy to say of your CATHARTIC PILLS, that I have found them a better family medicine for common use, than any other within my knowledge. Many of my friends are using them, and much to their satisfaction, coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be used, and will make them valued by the public, when they are known.

The venerable Chanselor WARDLAW, writes from Baltimore, 15th April, 1854:

Dear Dr. C. Ayer.—Sir:—I have taken your Pills with great interest, for several months, having had appendicitis, and Bilious Colic, which of late time, has been very troublesome to me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family, and though not much, it is well known to coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be used, and will make them valued by the public, when they are known.

Yours truly, S. S. STEVENS, M. D., of WENTWORTH, N. H., writes:

Having used your CATHARTIC PILLS in my practice, I certify from experience that they are an invaluable purgative, in cases of flatulencies, constipation, piles, appendicitis, bilious colic, &c., &c. I have used your Cherry Pectoral many years in my family, and though not much, it is well known to coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effectual, but safe and pleasant to be used, and will make them valued by the public, when they are known.

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co., says:

Dear Dr. C. Ayer.—Sir:—I have taken your Pills with great interest, for several months, having had appendicitis, and Bilious Colic, which of late time, has been very troublesome to me in the spring. A few doses of your Pills cured me. They are not only effectual, but safe and pleasant to be used, and will make them valued by the public, when they are known.

Yours truly, JOHN F. BEATTY.

John C. Ayer.—Dear Sir:—I have been affected from my birth with scrofula in its most violent form, and have, after two years' trial, and an untold amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write, can only be imagined when you read what I have suffered, and how I have been.

Never, until now, have I been free from this loathsome disease in some shape. At times it attacked my eyes, and made me blind; besides the membranes of my nose, and destroyed my hair, and has left me partly bald for my days; sometimes it came out in my face, and kept it for a month or more.

Also, about two years ago I commenced taking your CATHARTIC PILLS, and now am entirely free from the complaint. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel after a new birth.

On this high statement may be the means of conveying information that shall do good to others, I am, Your very sentiment of gratitude.

MARY RICKER,

Having known the above named Maria Ricker, from her childhood, and her statement is surely true.

ANDREW J. MESERVE,

Overseer of the Portmouth Manufacturing Co., says:

Dear Dr. C. Ayer.—Sir:—I have a large supply of your PILLS, and have found them to be of great service to me.

Your PILLS have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had failed to get relief by my Physician, and was about to give up all hope, when I tried a few of your PILLS, which immediately restored me to health.

They were promptly cured. I recommended them to a friend, who told him in a few days they had cured him.

You make the best medicine in the world, and I am free to say so.
